ABOUT US

Forever Books Pvt Ltd

Established in 1995, Rachna Sagar Private Ltd. has been in the forefront of educational publishing ever since its inception. To date, Rachna Sagar has successfully developed more than 800 printed titles as teaching materials for Classes K-12. This company has also striven towards a committed research and development strategy which has been integrated into making better quality offerings for our users. Such preparatory research has currently been oriented towards the launch of an e-learning stream, titled 'Forever Books Private Ltd.

The said company comprises of a widely inclusive content base, having under its umbrella electronically produced educational material for Classes K-8 in the subjects of English, Hindi, mathematics, science, social studies, environmental studies as also an exhaustive range of French learning material titled 'Enchante' and 'Acuel'. Veering away from the conventional offer of a physical book in the learner's hands, this platform, being a digital resource, allows for online access of the textbook as well as practice material, teacher resources and vocalized presentation of the textual and practice material, for Classes K-12. As a curtain raiser into the next step ahead, Forever Books Private Ltd is currently developing a self-learning platform - Swa-Adhyayan - wherein the user is given access to online learning and assessment in a digitized format of the specified printed content. Thereby, the Forever Books Ltd Company has created a complete package of interactive material for the child end-user. All of its features, which include.....can be digitally accessed on android and mobile APPs, making it a tool of learning customized for the child of this generation.

In addition to the range of text-based material, the latest additions on offer are the 'Be a Genius' and the 'Become a Genius' series for Classes K-12. These books are geared to familiarize learners with the entry points which the child faces when being inducted into the formal learning stream of education, as also its ongoing demands. Through its finely graded series of interactive content, it facilitates preparatory orientation for school learning in India. Every effort has been taken to make these books child-friendly and self-boosting for the end user, so that the learner feels both challenged and empowered through its use.

As a curtain raiser into the next step ahead, Forever Books Private Ltd is currently developing a platform wherein the child's parents and teachers can be in touch. This solution to monitoring and interacting in the regular progress of their ward, provides structured and insightful inputs into the child's educational development.

The twin strategies, of monitoring and linking classroom activities with the home environment via an e-learning facility, is an innovative approach to education that Forever Books Pvt Ltd has pioneered. It is also a step that makes the Forever Books Ltd enterprise a flagship programme in step with the Digital India e-learning initiative of the country.

Conclusively, Forever Books Pvt Ltd, is justly proud to be a spearhead initiative in the present-day system of Indian education.

Lectures PROGRESSIVES FRANÇAISES

Video Multi-ROM

La série Jeune ELI Lectures Progressives est conçue pour accompagner les enfants dans la lecture d'histoires amusantes et captivantes en français mais aussi des grands classiques ou des oeuvres de fiction, toujours adaptés à leur niveau et à leurs compétences. Les CD-Rom qui accompagnent chaque ouvrage ELI Reader Jeune ajoute une dimension supplémentaire et permet, par exemple, une lecture numérique en classe sur tableau blanc interactif (TBI), une lecture à l'école dans le centre multimédia ou une lecture à la maison sur ordinateur.

Le CD-Rom permettent aux enfants de :

- suivre les animations amusantes de l'histoire ;
- écouter les enregistrements soit sur un lecteur CD traditionnel soit sur ordinateur ;
- faire des exercices interactifs et autocorrectifs.
- une version numérique de l'ensemble du livre ;
- une fonction «Karaoké» qui met en évidence le texte lu ;
- un jeu interactif ;
- une fonction "Enregistrer" qui permet aux enfants d'enregistrer leur propre voix et s'entraîner à l'oral (notamment la prononciation et l'intonation).

FRENCH MAPS La carte de France & MOTIVATIONAL STICKERS

NEP aligned Teacher's Resource Kit

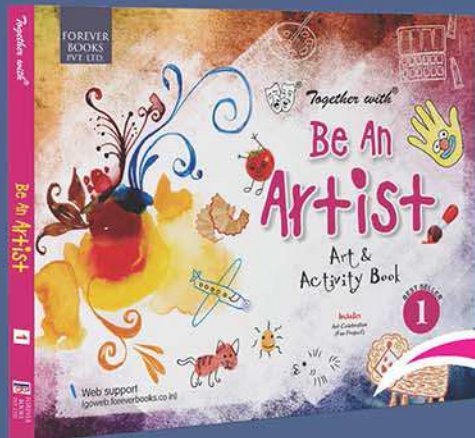

1. The aim of providing the maps is to make the students aware of the French culture, food and places.
2. One can easily look at the place in France and find the cultural elements related to it in the map.
3. The map having the cities of France along with the cultural elements will increase the interest of the student to study French.

As a boost to the learner, there are motivational stickers to acknowledge the laudable achievements of the bright pupils. These also promote good behaviour, hard work and discipline with positive encouraging messages.

BE AN ARTIST Art & Activity Book

Classes A to 8

How we are different

- The book contains a Fun Project—Art Celebration— with the material kit, which is a summary of the activities performed by a child throughout the year.
- Numerous magical animations, 3D activities and different art material of the child's interest will take him/her on an unbelievable journey of imagination which is the essence of art. A large variety of activities like easy to draw, clay Modelling, origami etc have made this series immensely interesting.
- We have provided the maximum material in the kit of Art workshop.
- We have provided Web Support in which we have given a large variety of exercises and games.
